David Lett, Regional Administrator
Administration for Children and Families
U.S. Department of Health and Human Services
Suite 864
150 S. Independence Mall West
Philadelphia, PA 19106

Dear Mr. Lett:

The Delaware Department of Education gives the Administration for Children and Families of the U.S. Department of Health and Human Services all rights to take temporary possession of equipment purchased wholly or in part with Delaware Early Childhood Assistance Program funds by the Southern Delaware Center for Children and Families. This would include equipment located at the Southern Delaware Center for Children and Families Administrative Office, Laverty Lane Head Start, Seaford Head Start, and the Milford Head Start.

The Administration for Children and Families and the Delaware Department of Education will inventory the items received and jointly determine an appropriate and acceptable division of property. The division of property jointly owned by the federal government and the State of Delaware will be determined within thirty (30) days after the Southern Delaware Center for Children and Families has relinquished all property to the Administration for Children and Families. Possession of the agreed upon property, by the state of Delaware or its designee, will occur within sixty (60) days of the determination of ownership.

Sincerely,

Valerie Woodruff
